Where I will go	As soon as I enter the building, I will sign in on the Eagles Attendance Sheet.		
	I agree to choosing one of these options whenever I am at Eagles: 1) I can participate in the activity Eagles staff are leading, 2) I can hang out in the same room without distracting others, <u>or</u> 3) I can ask the Eagles staff if I can use a different room in the building (gym, pool, etc.) or go outside (hiking trail, BMX track). I will confirm with them before I go to another area, since they are responsible for my safety.		
	I will <u>never</u> use the weight room or fitness hall, unless I am over 14 and have done a free fitness and equipment orientation with GCCC staff.		
	I'll follow the specific rules for the room or space I am in.		
What I will do	I understand that it is the job of GCCC and Eagles staff to: 1) keep me and other community members safe, 2) make sure all users of the building feel welcome, and 3) take care of our building. I will follow all directions that staff give me. If I don't understand the reason for a direction or I disagree with them, I will still do as they say until I can talk to the Eagles Program Coordinator about my concerns.		
	I'll keep/consume food, drinks, and glass items <u>only</u> in the upstairs lobby or in the multi-purpose room. I understand I may only bring a water bottle to other areas.		
	I will <u>not</u> chew gum inside the GCCC.		
	I will <u>not</u> use illegal substances ¹ while at the GCCC. I understand that, because I am underage, I will be reported to the police if I am found using substances.		
	I will wear clothing that would be okay to wear at school and in public.		
How I will treat others	I commit to making GCCC/Eagles a welcoming, inclusive space for people of all ages. I'll treat everyone with kindness, consideration, and respect. <ul style="list-style-type: none"> ● I'll only touch people in ways that they, and others, are comfortable with. ● I will <u>not</u> swear, insult others, or use slurs/hate speech.² ● I will <u>not</u> bully, threaten, or harass others physically, verbally, or online. ● I will <u>not</u> purposefully destroy or damage things that do not belong to me, including the building, furniture, equipment, or others' belongings. ● I will <u>not</u> bring weapons to the GCCC. 		
	If I have a problem with another participant or community member, I'll politely talk to them about it. If the problem continues, I'll speak with the Eagles Program Coordinator so I can have help in resolving the conflict.		

¹ Includes smoking, vaping, drinking alcohol, chewing tobacco, or taking pills a doctor did not prescribe to me.

² We consider hate speech to be *abusive or threatening words that express prejudice against a group.*

I understand...	I understand that if I severely <u>or</u> repeatedly break these norms, there will be consequences. This may include not being able to participate in Eagles or having to immediately leave the GCCC.		
	I understand that Eagles and GCCC staff are mandated reporters, which means that, for our protection, they have to tell Human Services if they think that anyone under 18 is potentially being hurt, abused, or neglected by an adult.		
<p>Youth: By signing, I agree that I've read, understand, and commit to following these community norms.</p> <p>Youth Signature: _____ Date: _____</p> <p>Guardian: By signing, I acknowledge that I've read, understand, and know that the youth participant I am responsible for has committed to following these community norms.</p> <p>Guardian Signature: _____ Date: _____</p>			

Medical Release			
<p>I hereby give my permission to officials to call a doctor or emergency medical service and for the doctor, hospital or medical service to provide emergency medical or surgical care for my child should an emergency arise. It is understood that event officials will make a conscientious effort to locate emergency contacts before any action will be taken. If it is not possible to locate emergency contacts listed I/we will accept the expense of the emergency medical or surgical treatment.</p>			
<p>I agree with the above statement. Staff may contact medical services for emergency care for my child, if guardians and emergency contacts cannot be reached: <input type="checkbox"/> YES <input type="checkbox"/> NO</p>
