account in Active Net. Go to the sign in page, click "forgot my password" and enter the email address you listed on your registration form to reset your password and access your account.

- Once you are signed in, select the session/month you would like to enroll, select the participant/child to enroll, select the days you would like each child to attend, and then checkout. Alternatively, you may enroll and submit payment directly at the front desk of the Community Center. **Payment is due at time of enrollment, unless you have set up an automatic payment plan.**

 - CCCAP payments are ultimately the responsibility of the beneficiary. If attendance is not properly recorded, allowed absences are exceeded, schedule changes are not promptly communicated, or other circumstances result in an unpaid balance, the CCCAP parent is responsible to pay for any remaining balance for child care.
 - Parent fees (the portion of care that CCCAP parents are responsible to pay themselves) are due by the 1st of each month to ensure continuation of benefits.

Late Pick-up Policy:

Our program ends at 6:00 p.m. Parents whose children remain past 6:05 p.m. will be charged overtime fees: \$5 initially, and an additional \$5 for every 15 minutes past 6:00 p.m. Participants may be withdrawn after three overtime charges occur. Please contact the front desk, 303-582-1453, as soon as possible if you are going to be late.

Cancellation Policy:

You may change, switch, or cancel a scheduled day for full credit with at least seven days' notice during the school year. In the summer, changes must be made by the 25th of the month prior to care. Please email Aspen or Jacob for schedule changes.

There are no refunds or credit available for any changes, substitutions, cancellations, or absences with less than seven days' notice (school year) or after the 25th of the month prior (summer). We will consider exceptions for certain illnesses and family emergencies on a case-by-case basis.

This policy allows us to schedule staff, order materials, and plan activities farther in advance, improving the overall safety and quality of our program.

Prevention Program Data Collection

We currently receive substance use prevention grant funding to provide social/emotional lessons a couple days per week in our child care ("Positive Action"). In order to measure the effectiveness of the prevention curriculum, we may distribute surveys to children before and after they participate in the lessons. Their responses will be kept completely confidential. However, if you would prefer that your child not participate in the surveys, please contact Jacob Rippy, or make a note on one of the following pages to opt-out.

COVID-19 / Communicable Illness Policy

We will continue to follow the current public health guidelines for schools and child cares. Parents will be notified of any relevant changes, exposures, or outbreaks.
