Rec Connect

#24-11

Community Member Spotlight Leo Simpson

Hello, I am Leo Simpson and I am 16. I have lived in Colorado since I was 4 and attend Gilpin County High School where I participate in both cheer and theatre. I also work as a Youth Leadership Team member for the Eagles after school program which runs out of the Gilpin County Rec Center.

In my free time I enjoy writing elaborate stories or creating detailed drawings.

Outside of school there is not much for me and my peers to do considering the fact that most of us can't drive. The Rec Center provides a safe space for people like me to go when we are not in school and it's not an hour (or more) drive away. It also provides jobs and recreational, health-based activities for our community.
