

Gilpin County Parks & Recreation

Rec Connect

#24-15

Staff Spotlight Britton Barrett

Britton joined Parks & Recreation two weeks ago as a Recreation Generalist II. He jumped right into his new roll the week of the County Fair- helping with the massive job of setting up and tearing down Fair, and working at the hectic front desk of the Community Center. We are excited to have him take the lead of our Eagles Teen Program and to have his fun, positive energy on our team! Welcome Britton!

“I live in Golden and I enjoy being outdoors in my spare time. In college, I studied Recreation, Tourism & Hospitality Management while playing music. Two truths & one lie (if you can guess): I was born in Chile, I have nine toes and I've lived in New Zealand.

I play drums, I'm learning to disc golf, I play hockey during the winter, mountain bike, paint and find new creatives to enjoy!

Parks & Rec is important to me because bringing programs out to the community is an important way of life. Programs for all ages show how special and diverse each town and city can be. The Community Center is important to Gilpin because there really is no other center close to the area that provides recreational programs for all demographics.”
