GSS Project #W15317-CO-1

Gilpin County Certified Local Government
Attn: Ray Rears, Planner
203 Eureka Street
Central City, CO 80427

Notice of Initiation of the Section 106 Process-Public Participation in accordance with the FCC's Program Comment for Positive Train Control and Infrastructure. Union Pacific proposes to construct an approximately 65' monopole communications pole with associated equipment at the following approximate location approximately 7.3 miles west of Rollinsville (10.6 miles northwest of Black Hawk), Gilpin County, Colorado within the existing railroad right-of-way:

- Coordinates: 39.903714, -105.637415; Mile Post #49.7

Union Pacific Railroad must comply with all Federal and State regulations governing the proposed facility. Section 106 of the National Historic Preservation Act of 1966, as amended, requires Union Pacific Railroad to evaluate this project for any effect it may have on Historic Properties. As part of this evaluation, Union Pacific Railroad is required to publish Public Notice in an effort to gather comments on the potential effects of the proposed facility on Historic Properties.

The purpose of this letter is to:

- Notify the Gilpin County CLG that Public Notice seeking comments on the potential effects of the proposed construction on Historic Properties is scheduled to be published in the Weekly Register-Call on September 17, 2015.
- Invite comments on the potential effects of the proposed facility on Historic Properties from other relevant individuals or groups that you may be aware of.

Attached to this letter are the following: aerial map, street map, typical drawings, a copy of the Public Notice and a copy of a letter submitted to the City of Black Hawk and the County of Gilpin.

Parties interested in submitting comments regarding any potential effects of the proposed facility on Historic Properties may do so by sending them to GSS, Inc., 3311 109th Street, Urbandale, IA 50322.

Questions about this matter may be submitted to GSS, Inc., 3311 109th Street, Urbandale, IA 50322 or by calling (515) 331-2103.
