Staff Spotlight **Becca Dickson**

Youth Programs Leader

Becca has been helping to lead our youth camp since we reopened in 2021. She has provided a ton of new, creative ideas for kids' crafts and activities. She always comes with a positive, energetic attitude, and is exceptionally patient and compassionate with the kids.

Becca says "Parks and Rec is important to me because of the community and the good times. The youth program is a community in itself, but that community extends to the parents who need that support and everyone involved with the rec center. We look out for each other, our coworkers, the kids, their families, and other patrons of the rec center.

For recreation I like to have fun outside- skiing, hiking, rafting. I love some sunshine."
