## Staff Spotlight **Sierra Kaiser** Guest Services Representative

"I was born and raised in Texas. I attended the University of Texas at Austin for my undergraduate degree and

Texas State University for my master's degree. I moved to Blackhawk two years ago and adore living in the mountains.

For recreation, I love hiking trails with my dog Daisy, paddleboarding, and practicing yoga. I enjoy utilizing the Parks and Rec facility to exercise and maintain my physical health goals. I find that Parks and Rec also provides a warm and welcoming environment for locals in the area to gather and socialize."

Sierra is a regular user of the Community Center and brings a positive attitude and a focus on health and wellness that make her a natural fit on our Parks & Rec Team. The next time you visit the Community Center stop and say hello to our newest friendly face at the front desk!
