Staff Spotlight
Katherine Harvey
CSU 4-H Extension Agent/EAGLE

"I started at the community center as a substitute receptionist and a youth camp leader, but I founded and now run the EAGLE program, which is the only out-of-school program for teens in the county. EAGLE provides opportunities for middle and high school students to build leadership and life skills.

I wrangle teens every day after school and also work with a youth leadership team and high school program assistants to plan fun activities and field trips during the school year and the summer. Often you'll find me leading activities like baking, painting, making slime, and playing board games! I also sit on the Gilpin County Public Health Advisory Board.

For recreation, I love yoga, hiking, backpacking, and walking on the track or the trail around the community center. I like to get outside and be active, but I also like to swim, lift weights, and toss a volleyball in the gym, especially during the winter.

Parks and Rec is so important for our whole community, from kids to teens to younger adults to seniors. We are the center for so many services in Gilpin: not only does Parks and Rec provide a place and activities for our physical health and mental wellbeing, but it also provides child care, jobs for youth, communal gathering spaces, and so much more."

Thank you for your dedication to the youth of the Gilpin County community, Katherine, and for running the essential EAGLE program!

**This Memorial Day we
remember those who
sacrificed so we could
live in freedom.
We are the home of the free
because of the brave**

Kid's Summer Pass!

Ages
4-17

June 1 - August 20
