## Staff Spotlight **Trey Lindberg** Lifeguard

"My name is Trey Lindberg I have lived in Gilpin for all seventeen years of my life. I just graduated from Gilpin High School and will be pursuing a degree in psychology while playing basketball for Ottawa University.

For me, fitness and recreation have been

very large parts of my life as I have played multiple sports every year since I was three- football, baseball, soccer, track, basketball- I have done it all! I wouldn't have been able to do it without Gilpin County Parks & Rec- playing in the youth leagues at the Rec Center is what sparked my passion for sports and physical fitness.

I think it is extremely important to have these activities available to the youth in any community as it promotes a healthy lifestyle that people can carry with them for the rest of their lives, and the Rec Center has provided that for so many people in this community. It has also given people a great place to connect with other people who share similar passions as them and it truly brings the people of our community closer together."

Trey has kept up his family's tradition of becoming a lifeguard at the Community Center. He is a responsible, diligent, and kind employee and is always willing to help and to take extra shifts to keep the pool open. He also has great stories and is hilarious and we will miss him when he goes off to college in the fall. Thank you, Trey, for being a part of our team!

## WE'RE HIRING!

- RECREATION GENERALIST
- GUEST SERVICES REP.
- REC. COORDINATOR
- HEAD LIFEGUARD

# Pottery with Rebecca

MONDAYS 5:15-7:45P

**AUGUST 7 - AUGUST 28**

**\$95/4 WEEK SESSION**

Continue to build your skills by learning a few additional glazing techniques. During this end-of-summer class session we'll continue working on wheel and hand-building skills, but also spend some time with a few fun things to try with glaze to add interest to your finished pots.

Beginners are  
welcome
