Pottery w/Rebecca  
Mondays | 9/18-11/13 | 5:15-7:45p

## Facility Spotlight

# The Pool

The Pool- our little oasis in the mountain desert. A place for kids to play, adults to exercise, families to gather, or an invitation to cool off on a warm day.

This facility has allowed us to offer swim lessons that are so vital to the health and safety of our community, birthday parties, dive in movies, aquafit classes, exercise and physical therapy opportunities, job opportunities for teens, and fun special events.

The lap pool has six 25-yard lanes, diving blocks, flag markers, and a 12-foot diving well with a diving board. The activity pool has a zero-depth entry with water play features in the shallow end and a 30-foot figure eight water slide. Both pools feature gutter circulation, automated pH balancing, top-of-the-line chlorination systems, secondary sanitation, and Italian vinyl liners for optimal user comfort and safety. The pool was built with the facility in 2003- the liners were replaced in 2018 and the slide received a new gel

coat in 2022.

Our annual pool maintenance closure is scheduled for October 1st with a tentative re-open date of October 11th. During this time new filters will be installed.

**Come join us for a swim, Aquafit M/W/F 9:30a-10:30a or sign up for the next session of swimming lessons that start on 8/24**

**NEW  
DATE!**
