A Note from Parks & Recreation Director Gabrielle Chisholm

It is very disappointing that we will be losing our dedicated funding for Parks & Recreation in 2024. We have made so much progress with our programs, facility improvements and have a wonderful-loyal-hard-working team.

The first draft of the P&R budget that has been proposed to the Board of County Commissioners includes the community center being open 3 days a week, cutting pool operations, cutting some events, a one day fair and cutting some staff. We have over \$500k in our ending fund balance and that will help support about 40% of the overall decreased P&R operations budget. We will wait to see what the BOCC decides with the rest of the county budget that they are statutorily required to fund first.

Thank you all for your interest and support. Our team is committed to continuing to provide the best service we can with the resources given.

Be well,

Gabrielle
