Staff Spotlight

Paul Brusca

Guest Services Representative

Paul joined our Parks & Rec team two months ago and works a few regular shifts a week in addition to picking up coverage shifts when needed.

Before starting at the front desk he was an active user of the Community Center and you'll often find him working out before or after shifts.

Paul says "I'm a pretty easy-going, laid-back person, but I like to be social. My wife and I love to host neighbors, friends, and family during the holidays or just in general. I'm happiest when I'm active.

I enjoy hiking, biking, skiing, and overall, just getting outside and exploring nature. I love getting together with friends to enjoy a football or basketball game and a beer.

It's important for people to have a place to gather, socialize, exercise, and have a sense of community that's affordable. I thrive on being active and working out. It's good for the mind and the body. I/we can't necessarily get that at home or elsewhere."
