Staff Spotlight **Maura Turner**

Recreation Generalist

Maura joined our Parks & Rec team in September 2021. She says " I came to Gilpin county P&R and have found community. Not only in my amazing coworkers, but also in the people and groups that call our community center home.

I get to work with and interact with people of all ages. I also love that I help to keep our center running, providing a place for physical activity, socialization, art, and child care."

For recreation Maura loves spending time outdoors in the summer, hiking, camping swimming and especially sitting around a fire. She skis in the winter and loves to bake sweets and breads. She also enjoys taking long walks and listening to audio books.

As a Recreation Generalist Maura works as a Guest Services Representative at the front desk, as a Youth Camp Leader and as a Lifeguard. Her skills allow her to shift and pivot with the best of them and she is rocking her roles at the Community Center!
