Citizen Compliments:

- ▶ On March 17th the power went out in dispatch. Communications specialists Shandee Hartvigson and Lilly Neilson immediately switched the 911 lines to Black Hawk dispatch. Justin and Amy (Black Hawk Dispatchers) jumped right in and proceeded to answer our phones until a Gilpin dispatcher could get to Black Hawk. For 5 and ½ hours Gilpin and Black Hawk Dispatchers worked together until power was restored. Great teamwork and collaboration.
- ▶ Deputy Sedlmary, complemented Deputy Varnell on his respect and professionalism he showed to an inmate who was being combative. Deputy Varnell built a rapport with the inmate, calming him down and eventually gaining his cooperation. The inmate eventually thanked Deputy Varnell and other deputies.

Sheriff's Office Community Initiatives:

With the weather becoming better, motorcycles have began their annual ride into Gilpin County.

Partnering with CSP to address speeding and other traffic violation on Hwy 119 and Hwy 46
