In applying for a Treasurer's Deed I understand that:

- 1) The expenses related to processing a Treasurer's Deed may exceed the deposit paid. If this should be the case, the balance owed must be paid before the deed is issued.
- 2) If there are any Junior Lien Holders, I must redeem them out before the deed process will continue.
- 3) All subsequent taxes must be paid.
- 4) An Owner and Encumbrance Search will be done as part of the deed process. This search is for the sole use of the Treasurer's office with the understanding that this information has been taken from the Clerk & Recorder records without reference to, or examination of, instruments which purport to affect the real property. This information is carefully prepared, but is in no way guaranteed or certified, and is not to be construed as an abstract of title, or a guaranty of title.
- 5) As a Lien Holder, even if a Treasurer's Deed is applied for, I have no right to access, survey, or in any way disturb the property until I receive the recorded deed.
